

EVN and IYA

- Michael Lindqvist (OSO) and Alastair Gunn (JBO) to coordinate some activities for the participation of EVN in the International Year of Astronomy 2009.
- Together with people from JIVE (A. Szomoru et al.) we have done some brainstorming...

- Opening in Paris, January 15-16
 - ✓ Global 24 hour e-VLBI demo
 - ✓ *Important: focus on general public/kids*
- 100 hours of Astronomy, April 2-5
 - ✓ We are discussing different options
